Property Video Services

VIDEO SHOOT SERVICES

We shoot Full HD footage and can provide finished programmes in various formats and resolutions to suit today's social media platforms, as detailed below.

One of our options on offer is branded opening and closing title screens for our videos, at an additional fee, which, can be static or animated and can be freely re-used on all subsequent videos.

Along side this, we are offering a property video and photographic package that includes both professionally produced and processed stills, and a professional HD video.

WHAT DO I GET & WHAT DOES IT COST?

Standard Property Walk through Video

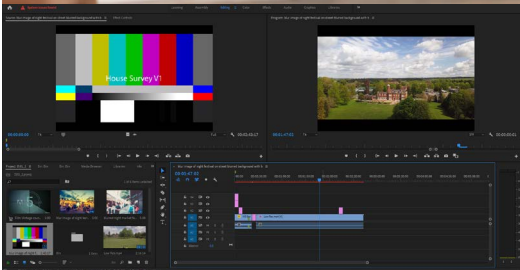

HD property video tour is a quick and thorough look at a property that lasts up to 125 seconds and can include basic effects, speed ramping, and atmospheric music*.

Creative Property Walk through Video

HD property video tour with up to 90 seconds with atmospheric music*, superior effects along with speed ramping, produced to achieve a more artistically edited footage for a more aesthetically pleasing final product.

Property Showcase Video

HD property video tour, consisting of up to 150 seconds of artistically produced footage that incorporates time-lapse, slider and dolly shots, tripod shots, drone footage, and overlay graphics, all synced to atmospheric music*.

Property Photography and video Package

Up to 20 expertly created and processed property pictures, (two shots every main room, exteriors including the street and garden, hallways, etc.) along with a property tour video. (As per Standard property walk through video package above)
