Food Photography Services

FOOD PHOTOGRAPHY SERVICES

Quality images of your food products can raise the profile of your business especially on social media platforms.

We can provide you with print quality, and also social media ready images.

All social media images are sized correctly for their destination on Instagram and Linked-in for instance so you don't have to worry about compression and other factors affecting the quality of the uploads.

We can travel to you or even provide a studio location* with a basic kitchen.

WHAT DO I GET & WHAT DOES IT COST?

* 2 hours photography.

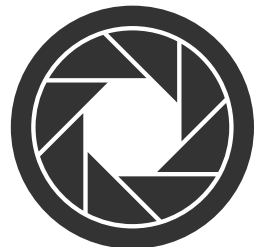

* Basic retouching of images.

* Fast Image turnaround.

* Free travel to your location within 10 miles.

* Free image storage for 6 months.

From £80.00 Per Hour
