Product Photography Services

## PRODUCT PHOTOGRAPHY SERVICES

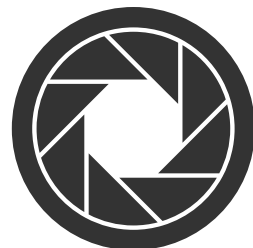

Quality Product images can raise the profile of your business and generate sales especially on social media platforms. We can provide you with print quality, and also social media ready images. All social media images are sized correctly for their destination on Instagram and Linked-in for instance so you don't have to worry about compression and other factors affecting the quality of the uploads.

### WHAT DO I GET & WHAT DOES IT COST?

- \* Free consultation.
- \* Multiple media platforms catered for.
- \* Fast Image turnaround.
- \* Downloads from our secure website.
- \* Work to tight budgets and schedules.
- \* Daily rates available by negotiation.
- \* Studio Location.

From £20.00 for one hero and five variation images\*\*
