VIDEO SHOOT SERVICES

Create a memorable video record of your conference, exhibition, event or party. We provide all the skills and equipment to complete the job with minimum fuss. We take a candid shot attitude to create a cinematic vibe for the programme, along with a voxpops style stance to interviews. We shoot Full HD footage and can provide finished programmes in various formats and resolutions to suit today's social media platforms.

We use daily rates to price for our location filming and editing and the price is a reflection of one cameraman with camera, portable LED lighting, sound kit, tripod, and field monitor. Editing via Premiere Pro, is titles and graphics, music soundtrack* and finished VT in the formats of your choice and available to download from our secure password protected website.
